

Whakamana te Waituna

Ensuring the wellbeing of the people, the land, the waters, the ecosystems and the mauri/lifeforce of Waituna

WORKING TOGETHER

WORKSTREAMS

OUTCOMES

- Protecting Waituna Lagoon and enhancing public access
- Improving water quality, reducing sediment and nutrient losses in the catchment
- Re-establishing iwi connections and whanau role as Kaitiaki
- Testing at a larger scale land-use practices and systems for sustainable-farming
- Reducing impact of flooding on neighbours
